 12. The Selection Exam will be started from 06:00 AM onwards at the designated Exam Centers. Shortlisted/Selected applicants will be invited/notified through the Dashboard Notification, SMS & Email separately for counseling and admission process.
-

To apply online for Admission, follow below process:

**** Please note that candidate/student seeking admission in the College will be construed as the **Applicant** in the application form, while it is presumed that the application form is being filled by the Guardian/Parent (**User**) of the applicant.**

Step 1 – Register on the Portal

- To register on Khel Sathi Portal, user will have to submit Applicant's Name, Date of Birth, Email ID, Aadhaar Number, Whether Native of UP or Not?, Mobile No. and Captcha in respective fields, and then click on **Register** button.
- Thereafter, entered Mobile No./Email ID will be verified through One Time Password. Once the verification is done, user will be registered on the portal and Login Credentials will be shared on their registered Email ID & Mobile No.

** Please be attentive while filling the registration details. No changes will be allowed in the submitted details later. Also, all pre-admission, admission and post-admission related communications will be held through the registered Email ID & Mobile No.*

Step 2 – Login to the Portal

- After successful registration, user can login through the User ID and Password they have received on their registered Mobile No. & Email ID.
- On first login, user will have to change their auto-generated password, for security reasons. User cannot proceed further until they change their auto-generated password.
- User will have to re-login once the password is changed.

*** New Password must contain at least 08 characters.*

Step 3 – Fill Application Form

- After changing the password, user will be redirected to fill and submit the online application for admission. Form has been divided into 05 sections. User will have to submit below details of the applicant in the respective sections:

A. Basic Details

- I. Gender
 - II. Sports College where Admission is being sought?

- After uploading above documents in the respective fields, click on **Save and Next** button. User will be redirected to next step thereafter.

*** Please note that all files should be in PDF/JPEG/JPG format, except Photo and Signature (in JPEG/JPG format), whose size should not exceed 10 MB each.*

E. Declaration and Application Submission

After submitting details in all sections, user will be redirected to the Declaration and Application Submission page. On this step, Parent/Guardian will have to agree to the Terms & Conditions mentioned on the page and submit the Application.

Step 4 – Preview and Final Submission of the Application

- After submitting the Application Form, user will be redirected to the next step where they can edit the filled details, if required, and do the final submission of the application.
- Please note that no changes will be allowed in the application form once its final submission is done, hence user should do the required changes in the application by clicking on **Edit** button.
- Once the changes are done, if any, click on **Final Submit** button. User will be redirected to pay the Application Fee thereafter.

Step 5 – Pay Application Fee

- After the final submission of the Application Form, user will have to pay the Application Fee through Debit Card/Credit Card/Net Banking/Demand Draft.
- In case of payment through Debit Card/Credit Card/Net Banking, user can download the payment receipt instantly after the payment.
- If user is paying the fee through Demand Draft then they have to download the challan, submit the fee at bank and upload the payment details on the portal.

- User can download the Payment Receipt once approved by the Admin.

*** Application will not be forwarded to the College/Department for further processing until the Application Fee is paid. It is necessary for the user to submit the Application Fee on time.*

*** Once the application is forwarded to the College/Department, user will be notified through SMS, Email and Dashboard Notification, in case of any update.*

****Change Password**

- To change the Password, click on the User Icon available on the top right corner and then click on **Change Password** menu.
- Thereafter, fill Current Password, New Password and Retype New Password in respective fields and click on **Change Password** button.
- Password will be changed thereafter. User can login with their new password.
New Password must contain at least 08 characters.

****Recover Password, if forgotten**

- To recover the password, if user forgets the same, click on **Forgot Password?** link available on the Login page and submit the User ID in the respective field. On submission, current password will be sent on the registered Mobile No. & Email ID of the user.
